Notices

STAKES ENGAGEMENTS

Unless announced otherwise all eligibility payments due after date of sale are the responsibility of the buyer, who should promptly notify the proper racing associations of the new ownership in order to receive direct billing.

CANADIAN EARNINGS IN PEDIGREES

Before 2003, Canadian dollars were included with U.S. earnings as though there was no difference in the value of the two currencies. Following a recommendation by SITA (Society of International Thoroughbred Auctioneers), from January 1, 2003, purse money earned in Canada will now be separated. This policy is not retroactive for earnings prior to 2003.

Pedigree pages will continue to show combined earnings through December 31, 2002. There will be a separate designation for money earned in Canada since January 2003. Those earnings will be reported in Canadian dollars and indicated by (CAN).

The following example shows GRAND MISTRESS had combined, non-converted U.S. and Canadian earnings, prior to 2003, of \$36,021. Additionally, she earned \$22,494 in Canadian dollars since 1/1/03, of which \$11,770 (CAN) was earned in her second-place in the South Ocean Stakes, a restricted stakes at Woodbine.

Grand Mistress (f. by Storm Charger). 3 wins at 2 and 3,
\$36,021 in N.A./U.S.; 2 wins at 4, 2003, \$22,494 (CAN) in
Canada, 2nd South Ocean S.-R (WO, \$11,770 (CAN).

INSPECTION OF HORSES

All horses in this sale are stabled in the racing barns at Lone Star Park. If you are planning early inspection of sales horses, you are advised to check with our office for updated information on arrival/stabling status.

TRANSFER AND REPORT OF OWNERSHIP

The transfer of ownership for all Thoroughbreds must be reported to The Jockey Club by the new owner, within 60 days of the transfer, using a Transfer of Ownership form. The Certificate of Registration is not required and there is no fee for any transfer. Forms are available in Sales office.

Black Type Definitions

Black Type Race – Black Type Winner – Black Type Placed

The words “black type” are the equivalent, in racing, sales terminology and in sales catalogues, of the frequently-used word “stakes.” A stakes race will not always merit “black” type in a sales catalogue.

Black Type Race or Stakes Race

There are several classes of black type races, which are described in the following information. A black type race must, by definition, close for entries at least 72 hours before it is run. Fees must also be paid towards the purse by owners and/or additional (added) money contributed by or through the host racetrack. In addition, a stakes race must have a total purse value distributed on the day of the race of \$50,000 or more. (This minimum was established in January 2007 and is frequently reviewed.) In the more liberal interpretation of “stakes,” the amount of the purse is not always a factor, but a race qualifies for “black type” in sales catalogue following ICSC (International Cataloguing Standards Committee) standards only when it meets the total purse and other criteria.

In pedigrees, a horse’s name, when it is a winner or has placed in a black type race, is indicated in bold (hence “black”) type. Winners’ names are in upper case (capital) bold letters. Horses placing 2nd or 3rd are in lower case bold letters. In addition, further symbols or designators associated with the black type race will indicate the level or quality of the race in question.

It is important to note that changes in entry requirements, restrictions and purse levels for black type races are not retroactive. Once awarded black type in a pedigree, this information is unchanged and permanently maintained until and unless it is required to be replaced by more current data.

Graded or Group Black Type Races

All around the world, the “graded” or “group” stakes race (G1, G2 and G3) is recognized as being of the highest quality within any racing jurisdiction. The words “grade” and “group” have identical meaning and qualifications.

The Society of International Thoroughbred Auctioneers (SITA) uses the rulings of the International Cataloguing Standards Committee (ICSC) in its sales pedigrees to recognize grade or group designators for races.

ICSC maintains and monitors the application of guidelines by racing countries around the world. These countries qualify for several categories for cataloguing purposes as follows:

Part I countries will receive black type status and any race designators including grade/group indicators that are applicable.

Part II countries receive black type status, but will not be eligible to carry any designators such as grade/group indicators.

Part III countries have races listed for informational purposes only and do not receive any black type status.

Black Type Definitions

(continued)

In the USA, graded races are classified by the American Graded Stakes Committee of the Thoroughbred Owners and Breeders' Association (TOBA). This committee meets regularly to insure its standards of purse money and quality of racing are maintained. Graded races are non-restricted (age and sex qualifications are not considered restrictions). From January 2003, the minimum value for a graded race has been \$100,000.

Listed Black Type Races (L)

Below the quality of graded races, listed races also have a minimum added and/or total purse value, which, in January 2002, was set at \$75,000. For this and for other considerations, they do not qualify as graded black type races.

The name of the listed black type race is detailed after the subject horse in the pedigree with the designator (L), and, in parentheses, an abbreviation of the host track and the purse earned specifically in that race. Up to the end of December 1990, some listed races were also restricted races and carried the designator (LR). Since that time, listed races may not be restricted.

Restricted Races

Because entry conditions for restricted races are often framed to exclude better horses, these black type races are usually regarded as of lesser quality than graded or listed races. The name of the restricted black type race is detailed after the subject horse in the pedigree with the designator (R) and, in parentheses, an abbreviation of the host track and the purse earned specifically in that race.

From January 2003, conditions for black type restricted races were refined and the only restrictions now allowed are those for state-bred runners, non-winners of a sweepstakes, sales graduates and stallions' progeny.

Other Races Identified in Catalogues

There are some black type races which are not restricted, but do not have sufficient purse money to qualify as listed races. These races are identified by name but carry NO designator (G, L or R). The name of the race is detailed after the subject horse and, in parentheses, an abbreviation of the host track and the purse earned specifically in that race.

The amount of purse money to qualify a race for black type status is regularly raised by SITA to insure the quality and integrity of the black type system.

Further Note

In 1985, several other stakes qualified for black type or for inclusion in some form in pedigrees. Subsequent changes have replaced or eliminated these races, but they remain in pedigrees until they are excluded by more current data. Such races carried designators (O), (N) and (Q).

Pedigrees in this catalogue comply with standards established by the International Cataloguing Standards Committee (ICSC) and adopted by the Society of International Thoroughbred Auctioneers (SITA).

TEXAS THOROUGHbred ASSOCIATION

ACCREDITED TEXAS-BRED INCENTIVE PROGRAM

The accredited Texas-bred Incentive funds are derived from the "breakage" of the total pari-mutuel handle plus 1% of all multiple wagers at Texas tracks. This equates to approximately \$12,500 per \$1,000,000 of pari-mutuel handle at Texas racetracks.

OWNER'S BONUS AWARD

An Owner's Bonus award shall be paid to owners of Accredited Texas-Breds finishing first, second or third in open-company races in Texas. The bonus is over and above the regular Owner Awards paid on these races. These awards derive from a 25% deduction off the top of the available ATB revenue for a meet. **The remainder of the ATB awards for the meet will be distributed as follows:**

Benefits to "Horse Owner":

40 percent is allocated to owners of Accredited Texas-Bred horses who finish first, second or third, in any race in Texas (except restricted stakes).

Benefits to "Breeder":

40 percent is allocated to eligible breeders of Accredited Texas-Bred horses who finish first, second or third, in any race in Texas.

Benefits to "Stallion Owner":

20 percent is allocated to the owner of the accredited stallion standing in Texas at the time of conception (providing annual administrative fees were paid for said breeding season) and whose Accredited Texas-Bred foal finishes first, second or third, in any race in Texas.

Also: on every racing day, an association (track) shall provide for the running of at least two races limited to Accredited Texas-Bred horses, one of which will be restricted to maidens.

Accrediting Your Thoroughbred

Even though a mare can be accredited after foaling, that foal will not be eligible for breeder's awards unless the mare is accredited by paying the supplemental fee by December 31 of the same year of foaling.

1. First, the foal must have been dropped in Texas; if not, it is ineligible for the Accredited Texas-Bred Program, even if all other requirements are met.

2. The foal's dam must be an Accredited Texas Mare. If she is not, then she must become accredited in order for the foal to be eligible. To accredit a mare, you must submit:

- A. A completed mare application;
- B. The appropriate accreditation fee; and
- C. A copy of the mare's Jockey Club papers (both front and back) that show your ownership.

3. If these requirements have been met, then the next step is to accredit the foal. To do this, you must submit:

- A. A completed foal application;
- B. Applicable accreditation fee:
See fee structure on next page.

C. Important note about the ATB Application for Weanlings, Yearlings, and Horses of Racing Age – Do not send in the original Jockey Club certificate of registration – send a copy only. You will be sent a sticker verifying Accredited Texas-bred status which must be affixed to the original Jockey Club certificate.

4. If you are not a current member of the TTA at the time you attempt to accredit your horse, either:

- A. The accreditation fee required per horse will be increased by \$50; or
- B. You can join or renew your membership in the TTA at whatever level you choose (membership packages start at \$60; call TTA (512) 458-6133 for more information).

Horse racing is a truly thrilling sport, the "Sport of Kings." Fans come for the excitement, the glamor, the beauty,and the horses. The horses are the centerpiece of the sport, powerful athletes with glossy coats, pricked ears, flaring nostrils, keen, intelligent eyes. Every day, thousands of Thoroughbreds answer the bugler's call. They go and run with all they have and more. But there can only be one winner in any given race.

Many go on to run other races on other days. Some end up winning. Some end up on breeding farms. What about the others? The Paddock Foundation's goal is to answer that question.

THE PADDOCK FOUNDATION: Dedicated to the Lifelong Welfare of the Horse

MISSION: The Paddock Foundation is a non-profit corporation with a mission to support and advance the care of Thoroughbred racehorses after their racing careers by supporting rescue, retirement, rehabilitation, retraining and rehoming.

OUR PARTICIPATION: Participate as a financial supporter of other approved 501C3 organizations such as LoneStar Outreach to Place Ex-Racers (LOPE), Remember Me Rescue and CANTER Texas. Host Roses to Ribbons horse placement events at each Class 1 Texas racetrack. Post stories on social media highlighting activities and opportunities for Off-Track Thoroughbreds (OTTBs) as well as stories of their successful transitions to other careers or companion animals.

FUTURE GOALS:

- Educate, encourage and facilitate the placement of retired or unwanted racehorses;
- Support organizations that retrain Thoroughbred horses for second careers;
- Support organizations that provide for the retirement and care of the retired Thoroughbred racehorse;
- Support therapeutic riding programs and equine educational programs.

SUPPORT: We invite you to partner with us in this noble cause. Contributions of any size are welcome and will be used to further the goals of The Paddock Foundation. Please return this form with your contribution:

SECOND — BIDDING PROCEDURE: Unless waived by announcement, there shall be an upset price of \$1,000 for any animal entering the sales ring. If an opening bid of the upset price is not immediately forthcoming to the auctioneer's call, the animal shall be passed out as unsold. Minimum acceptable increases in bidding are \$100 to \$25,000 and \$500 thereafter. The highest bidder shall be the buyer. Successful bidder shall forthwith sign the Acknowledgement of Purchase: should Acknowledgement of Purchase not be presented to him for signature prior to commencement of bidding on the next lot offered, he shall forthwith identify himself to auctioneer as purchaser, and sign Acknowledgement of Purchase when presented. Right of successful bidder is not impaired in case of signing of Acknowledgement of Purchase by another provided that such bidder acts in accordance with this Condition of Sale and CONDITION OF SALE THIRD below.

THIRD — BIDDING DISPUTES: Should any dispute arise between or among two or more bidders, the auctioneer shall forthwith adjudicate the dispute and his decision shall be absolute, final and binding on all parties. Bids received after fall of hammer are not grounds for dispute. Bids acknowledged by bid spotters employed by the undersigned are recognized as tendered to auctioneer, but in case of dispute, the bidding on the horse shall be forthwith reopened for advance bids and if there be no advance, the horse is sold to the person from whom the auctioneer recognized the last bid. In case of any dispute, advance bidding shall be restricted to the contending parties, but should the recognized bid be reduced below the bid at commencement of dispute, then the bidding is reopened to all bidders regardless of whether or not final bid exceeds bid which was disputed. The auctioneer reserves the right to reject any or all bids.

FOURTH — TITLE RISK AND DELIVERY: Title passes to purchaser at fall of hammer, at which time he assumes all risk and responsibility for the horse. Purchaser or his representative shall take care, custody and control of the animal immediately after the fall of the hammer and such taking shall constitute delivery of animal, which shall be contingent upon purchaser presenting himself to the cashier of the undersigned to make settlement. Purchaser must so present himself within thirty minutes of conclusion of the sales session in which the horse is sold at which time delivery will be made in form of a "Stable Release" for the horse, provided that purchaser satisfactorily makes settlement. After delivery, purchasers shall remove horses by noon on the day following sale, and shall be subject to stable charges as determined by undersigned should they fail to do so.

FIFTH — TERMS FOR SETTLEMENT: MAKE SETTLEMENT WITH CASHIER OF THE UNDERSIGNED. PAYMENTS TO OTHERS, INCLUDING CONSIGNORS OR THEIR REPRESENTATIVES, ARE NOT RECOGNIZED AS SETTLEMENT. Purchasers to whom credit is extended shall pay in full for their purchases within fifteen days of sale, failing which undersigned may, at its sole and absolute discretion, declare purchaser in default. Any lots not paid for in full fifteen days after sale and not declared as default by undersigned shall be subject to a FINANCE CHARGE of one percent per month from date of sale on all amounts owing at fifteen days until such lot or lots have been paid in full.

SIXTH — DEFAULTERS: Purchasers who fail in any respect whatsoever to pay for horses as provided for at CONDITION OF SALE FIFTH above shall be declared in default.
